

## INDEX TO VOLUME 1

The abbreviation "ab" following the page number indicates that the article appears either in Society Transactions or in the Current Literature Department. Book Reviews, Obituaries and Society Transactions are indexed under these headings in their alphabetical order under the letters B, O and S, respectively.

	PAGE
Abrahamson, I.: Neurologic complications of influenza.....	518-ab
Prevalence of infectious lethargic encephalitis.....	663-ab
Abscess, pathology of experimental traumatic abscess of brain; Charles R. Essick.....	673
Acrodystonia ("Akrodystonie" als Folgezustand von Kriegsverletzungen der obern Extremitäten); Robert Bing.....	637-ab
Adaptability, systematic study of personality in estimating; G. S. Amsden .....	301
Adolescence, psychosis of, pituitary disturbance in its relation to; Beverley Tucker.....	503-ab
Adrian, E. D.: Conduction in peripheral nerve and in central nervous system .....	253-ab
Alford, L. B.: Irrigation of subarachnoid space.....	503-ab
Some experiments bearing on flow of lymph in nerves.....	260-ab
American Neurological Association, military history of; Theodore H. Weisenburg .....	1
neurology, opportunity of; Frederick Tilney.....	657-ab
Amnesia as defense mechanism for desertion; D. K. Henderson.....	257-ab
Amsden, G. S.: Systematic study of personality in estimating adaptability .....	301
Aneurysm, intracranial infiltrating aneurysm as the base, case of; S. Philip Goodhart .....	373-ab
Aphonia, hysterical, in soldiers with reference to gassing; A. Wilson Gill .....	648-ab
Archambault, La Salle: Parenchymatous atrophy of cerebellum.....	134-ab
Areflexia, asteriognosis and other sensory defects of abiotrophic origin, case of; J. L. Joughin.....	517-ab
Arsphenamin, intravenous, not intraspinal use of arsphenamin in syphilis of nervous system; B. Sachs.....	277
Arterial tension in mental disease; Claes Enebuske.....	665-ab
Asteriognosis, areflexia and other sensory defects of abiotrophic origin; J. L. Joughin.....	517-ab
Asthenia, neurocirculatory (Effort syndrome); Alfred E. Cohn.....	351-ab
Aviation and the ear; Eugene R. Lewis.....	167
and the eye; William H. Wilmer.....	162
ear in stunt flying; Lewis Fisher and Harry Lyman.....	254-ab
Babinski reflex (Zur diagnostischen Bewertung der Varietäten des Babinski'schen Reflexes); Robert Bing.....	781-ab
Bassoe, Peter: Report of neuroses in soldiers with presentation of cases So-called lethargic encephalitis.....	368-ab 799-ab
Beers, Clifford W.: Ten years of work of National Committee for Mental Hygiene and some plans for its future development.....	376-ab
Beevor's sign, transverse myelitis showing; George W. Hall.....	364-ab
Beling, C. C.: Case of successful removal of tumor of spinal cord.....	655-ab
Bing, Robert: "Akrodystonie" als Folgezustand von Kriegsverletzungen der obern Extremitäten.....	637-ab
Zur diagnostischen Bewertung der Varietäten des Babinski'schen Reflexes .....	781-ab

# INDEX TO VOLUME 1

	PAGE
Bladder, automatic bladder, excessive sweating and some other reflex conditions in gross injuries of spinal cord; Henry Head and George Riddoch.....	343-ab
Bleuler, E.: Psychologic point of view in psychiatry.....	128-ab
Blood, chlorin content of; treatment of dementia praecox by intravenous injections of sodium chlorid together with studies of chlorin content of blood; William C. Miller.....	313
Book Reviews:	
A Review of Nerve Injuries and Their Treatment; James Purves Stewart and Arthur Evans.....	804
Commotions et Emotions de Guerre; André Léri.....	273
Les Blessures de la Moelle et de la Queue de Cheval; Gustave Roussy	143
Neuropsychiatry and the War: A Bibliography with Abstracts; Mabel Webster Brown and Frankwood E. Williams.....	383
Seale Hayne Neurological Studies; Edited by Arthur F. Hurst.....	383
The Psychoneuroses of the War; G. Roussy.....	271
War Neuroses; John T. MacCurdy.....	380
Brachial plexus, lesion of; S. Krumholz.....	362-ab
palsy, traumatic, operation, marked improvement; F. X. Dercum.....	793-ab
Brain abscess, experimental, traumatic, pathology of; Charles R. Essick	673
carcinoma of cerebral membranes, histopathology of; George B. Hassin	802-ab
comparative studies on growth of cerebral cortex; Naoki Sugita.....	789-ab
disturbances of vision by cerebral lesions; Gordon Holmes.....	783-ab
estimation of proportions of gray and white matter in human brain, made through plane of optic chiasm by means of planimeter; A. E. Taft.....	346-ab
focalities of microscopic brain lesions found in dementia praecox; E. E. Southard .....	172
glioma of, trauma and its relation to development of; Israel Strauss	138-ab
histologic evidence of path of invasion of brain in general paresis; Samuel T. Orton.....	133-ab, 285
microscopic study of fat in cerebral cortex; Oscar J. Raeder.....	525
tumor with exact roentgen-ray localization; J. Hendrie Lloyd.....	797-ab
tumors in psychopathic subjects; S. L. Immerman.....	653-ab
wounds, treatment of secondary and late complications of; Gordon Holmes .....	788-ab
Brendel, Frank P.: Report of goiter among draft men from the northwest .....	638-ab
Brown, William: Treatment of cases of shell shock in an advanced neurological center.....	342-ab
Brush, Nathaniel H.: Treatment of general paresis.....	250-ab
Byrne, Joseph: Mechanism of pain from physiological standpoint.....	521-ab
Campbell, C. Macfie: Case of childhood conflicts with prominent reference to urinary system; with general considerations on urinary symptoms in psychoneuroses and psychoses.....	256-ab
Camptocormia, general considerations on; Saloff Rosanoff.....	641-ab
Carcinoma of cerebral meninges, histopathology of; G. B. Hassin.....	705, 802-ab
Cardiovascular syphilis, associated incidence of syphilis of central nervous system and cardiovascular syphilis; E. D. Friedman.....	289
Carpenter, F. W.: Nerve endings of sensory type in muscular coat of stomach and intestines.....	352-ab
Catatonia, clinical aspects of "late catatonia" with report of cases; Edward A. Strecker.....	780-ab
Cerebellar artery, case of occlusion of posterior inferior artery with cardiac manifestations and involvement of left vagus nucleus; Louis Hausman.....	145
gait: a pedographic study; I. Leon Meyers.....	645-ab
Cerebellum, parenchymatous atrophy of; La Salle Archambault.....	134-ab
tumor, probable; George W. Hall.....	363-ab

# INDEX TO VOLUME 1

	PAGE
Chlorin content of blood; treatment of dementia praecox by intravenous injections of sodium chlorid together with studies of chlorin content of blood; William C. Miller.....	313
Choice, multiple, personality tests involving principle of; Abraham Myerson .....	459
Clark, L. Pierce: Psychologic study of stealing in juvenile delinquency	535
Clark, Samuel N.: Case with symptoms of Dercum's disease and hysterical manifestations.....	802-ab
Climenko, Hyman: Eunuchoidism.....	726
Cohn, Alfred E.: The effort syndrome.....	351-ab
Conduction in peripheral nerve and in central nervous system; E. D. Adrian .....	253-ab
Conjunctivitis, hysterical ocular symptoms complicating; A. F. Hurst and C. H. Ripman.....	648-ab
Contracture ("Akrodystonie" als Folgezustand von Kriegsverletzungen der obern Extremitäten); Robert Bing.....	637-ab
occurring in partial recovery from paralysis of facial nerve and other nerves; William G. Spiller.....	564
Coriat, Isador H.: Treatment of dementia praecox by psychoanalysis	643-ab
Cysticercus racemosus (taenia solium) of spinal cord, operation, surgical recovery and death; P. C. Knapp.....	357-ab
Deafness, case of nerve syphilis with acute involvement of auditory nerves and complete deafness; James Hendrie Lloyd.....	651-ab
Deficiency disease, pathogenesis of; Robert McCarrison.....	506-ab
Delinquency, juvenile, psychologic study of stealing in; L. Pierce Clark	535
Delusions, clinical study of origin, development and disappearance of system of delusions; L. E. Emerson.....	260-ab
Dementia praecox, focality of microscopic brain lesions found in; E. E. Southard .....	172
non-dementia non-praecox; note on advantages to mental hygiene of extirpating a term; E. E. Southard.....	667-ab
treatment by intravenous injections of sodium chlorid together with studies of chlorin content of blood; William C. Miller.....	313
treatment by psychoanalysis; Isador H. Coriat.....	643-ab
Dercum, Francis X.: Hysteria with multiple operations.....	266-ab
So-called "shell-shock".....	65
Traumatic brachial plexus palsy, operation, marked improvement....	793-ab
Two cases of Friedreich's ataxia appearing very early in life.....	267-ab
Dercum's disease, case with symptoms of Dercum's disease and hysterical manifestations; Samuel N. Clark.....	802-ab
Dewey, Richard: Recovery in paranoia.....	803-ab
Dooley, Lucile: Analysis of case of manic-depressive psychosis showing well-marked regressive stages.....	639-ab
Ear and aviation; Eugene R. Lewis.....	167
in stunt flying; Lewis Fisher and Harry Lyman.....	254-ab
Editorial announcement.....	113
Effort syndrome: See Asthenia, neurocirculatory	
Elsberg, Charles A.: Laminectomy for intramedullary (?) tumor of spinal cord removed by two-stage operation.....	658-ab
Lesions encountered in operations for old injuries of spinal cord...	660-ab
Some advances in surgical treatment of injuries of nervous system..	768
Emerson, L. E.: Clinical study of origin, development and disappearance of system of delusions.....	260-ab
Subconscious in its relation to the conscious, preconscious and unconscious .....	347-ab
Emotions, case bearing on James-Lange theory of; A. Myerson.....	668-ab

# INDEX TO VOLUME 1

	PAGE
Encephalitis, epidemic; Arthur J. Hall.....	636-ab
epidemic; S. A. Kinnier Wilson.....	509-ab
lethargic, infectious, prevalence of; I. Abrahamson.....	663-ab
lethargic, so-called; Peter Bassoe.....	799-ab
simulating brain tumor; D. E. Smith.....	796-ab
Endocrinology and vegetative neurology; Walter Timme.....	246-ab
Enebuske, Claes: Arterial tension in mental disease.....	665-ab
Epilepsy, contribution to study of epilepsy and borderline cases; H. Oppenheim.....	339-ab
luminal in epilepsy and in disturbed and excited states.....	654-ab
Epileptiform convulsions in soldiers, study of; R. G. Gordon.....	649-ab
seizures, stimulation of motor cortex in monkey subject to; C. S. Sherrington.....	125-ab
Epileptoid cases in soldiers; G. Stanford Read.....	508-ab
Essick, Charles R.: Pathology of experimental traumatic abscess of brain	673
Eunuchoidism; Hyman Climenko and Israel Strauss.....	726
Exhaustion pseudoparesis; J. Ramsay Hunt.....	127-ab
Eye and aviation; William H. Wilmer.....	162
Facial nerve, contracture occurring in partial recovery from paralysis of facial nerve and other nerves; William G. Spiller.....	564
paralysis, method for improving treatment of; Charles H. Jaeger....	374-ab
Farrar, Clarence B.: Neuroses among returned soldiers, types and indications.....	345-ab
Fat in cerebral cortex, microscopic study of; Oscar J. Raeder.....	525
Fatigue; Sidney A. Lord.....	665-ab
Feiss, Henry O.: Peripheral nerve injuries.....	547
Fildes, P.: Unsuspected involvement of central nervous system in syphilis.....	231
Fisher, Lewis: Ear in stunt flying.....	254-ab
Flournoy, H.: General paralysis in patient with oxycephalic skull....	787-ab
Forebrain (Die Vorderhirnganglien); E. Landau.....	644-ab
Friedman, E. D.: Associated incidence of syphilis of central nervous system and cardiovascular syphilis.....	289
Friedreich's ataxia appearing very early in life, two cases of; Francis X. Dercum.....	267-ab
Gait, cerebellar: a pedographic study; I. Leon Meyers.....	645-ab
Gassing, hysterical aphonia in soldiers with reference to; A. Wilson Gill	648-ab
Gill, A. Wilson: Hysterical aphonia in soldiers with reference to gassing	648-ab
Gilpin, Sherman F.: Case of tabes dorsalis showing results of treat- ment, including drainage of cerebrospinal fluid.....	268-ab
Glioma of brain, trauma and its relation to development of; Israel Strauss.....	138-ab
Goiter among draft men from the northwest, a report of; Frank P. Brendel and H. M. Helm.....	638-ab
Goodhart, S. Philip: Case of intracranial infiltrating aneurysm at the base.....	373-ab
Gordon, Alfred: Central nervous system in purpura hemorrhagica....	798-ab
Nystagmus on monocular vision.....	269-ab
Gordon, R. G.: Mental factor in neuroses of war.....	515-ab
Study of epileptiform convulsions in soldiers.....	649-ab
Gregory, M. S.: Neuropsychiatry in recruiting and cantonment.....	89
Hall, Arthur J.: Epidemic encephalitis.....	636-ab
Hall, George W.: Amyotrophic lateral sclerosis.....	365-ab
Probable cerebellar tumor.....	363-ab
Progressive muscular atrophy.....	365-ab
Syringomyelia.....	365-ab
Transverse myelitis showing Beavor's sign.....	364-ab
Hallucinations, hypnagogic, in a restored epileptic; N. S. Yawger.....	650

# INDEX TO VOLUME 1

	PAGE
Hassin, George B.: Histopathology of carcinoma of cerebral membranes .....	705, 802-ab
Hausman, Louis: Case of occlusion of posterior inferior cerebellar artery with cardiac manifestations and involvement of left vagus nucleus .....	145
Haynes, H. A.: Case of Mongolism in one of twins.....	717
Head, Henry: The automatic bladder, excessive sweating, and some other reflex conditions in gross injuries of spinal cord.....	343-ab
Helm, H. M.: Report of goiter among draft men from the northwest	638-ab
Henderson, D. K.: War psychoses: A report of six unusual cases showing memory disorder.....	252-ab
War psychoses: Amnesia as a defense mechanism for desertion.....	257-ab
Hoch, August: Clinical study of psychoses characterized by distressed perplexity .....	415
Holmes, Gordon: Disturbances of spatial orientation and visual attention with loss of stereoscopic vision.....	385
Disturbances of vision by cerebral lesions.....	783-ab
Treatment of secondary and late complications of brain wounds....	788-ab
Horrax, Gilbert: Disturbances of spatial orientation and visual attention with loss of stereoscopic vision.....	385
Howe, Hubert S.: Study of pathology of human and experimental poliomyelitis based on cases occurring during epidemic of 1916 in New York City.....	502-ab
Hunt, J. Ramsay: Exhaustion pseudoparesis.....	127-ab
Preliminary report on a cortico-neural and a strio-neural motor system in peripheral nerves.....	131-ab
Hurst, A. F.: Hysterical element in organic disease and injury of central nervous system.....	646-ab
Hysterical ocular symptoms complicating conjunctivitis.....	648-ab
Hyperpyrexia of doubtful origin, case of; Edward M. Williams.....	137-ab
Hysteria in soldiers; G. McGregor.....	649-ab
treatment of; Julian Wolfsohn.....	350-ab
with multiple operations; Francis X. Dercum.....	266-ab
Hysterical aphonia in soldiers with reference to gassing; A. Wilson Gill	648-ab
element in organic disease and injury of central nervous system; A. F. Hurst and J. L. M. Symms.....	646-ab
ocular symptoms complicating conjunctivitis; A. F. Hurst and C. H. Ripman .....	648-ab
Immerman, S. L.: Remarks on brain tumors in psychopathic subjects..	653-ab
Immigration, bearing of war neuroses on; Lawrence Kolb.....	317
Influenza, cerebello-bulbar polioencephalitis originating during or after epidemics of influenza and of poliomyelitis including record of case of epidemic encephalitis of lethargic type; Charles K. Mills and George Wilson.....	567
neurologic complications of; I. Abrahamson.....	518-ab
Infundibular region, palliative trephining in cases of tumor of; S. P. Kramer .....	138-ab
Insanity, uniform statistical reports on insanity now assured; James V. May.....	669-ab
Intestines, nerve endings of sensory type in muscular coat of stomach and intestines, preliminary note; F. W. Carpenter.....	382-ab
Jaeger, Charles H.: Method for improving treatment of facial paralysis	374-ab
James-Lange theory of emotions, case bearing on; A. Myerson.....	668-ab
Jelliffe, Smith Ely: Contributions to psychotherapeutic technic through psychoanalysis .....	334-ab
Jones, Ernest: Theory of symbolism.....	785-ab
Joughin, J. L.: Case of areflexia, asteriognosis and other sensory defects of abiotrophic origin.....	517-ab
Kennedy, Foster: Nature of nervousness in soldiers.....	124-ab

Kirby, George H.: Clinical study of psychoses characterized by distressed perplexity.....	415
Klingman, Theophil: Histogenesis of multiple sclerosis.....	39, 193
Knapp, P. C.: Case of cysticercus racemosus (taenia solium) of spinal cord, operation, surgical recovery and death.....	357-ab
Kolb, Lawrence: Bearing of war neuroses on immigration.....	317
Kramer, S. P.: Palliative trephining in cases of tumor of infundibular region .....	138-ab, 260-ab
Krumholz, S.: Lesion of brachial plexus.....	362-ab
Laminectomy for intramedullary (?) tumor of spinal cord removed by two-stage operation; Charles A. Elsberg.....	658-ab
Landau, E.: Die Vorderhirnganglien.....	644-ab
Lane, Edward B.: The militant.....	359-ab
Lewis, Eugene R.: Ear and aviation.....	167
Lloyd, J. Hendrie: Brain tumor with exact roentgen-ray localization	797-ab
Case of nerve syphilis with acute involvement of auditory nerves and complete deafness.....	651-ab
Lord, Sidney A.: Fatigue.....	665-ab
Lowrey, Lawson G.: Diagnostic problems in psychiatry.....	354-ab
Observations on relationship between syphilis of nervous system and psychoses .....	642-ab
Ludlum, S. D. W.: Doctrine of neutrality and its relation to mental disorder .....	136-ab
Luminal, in epilepsy and in disturbed and excited states.....	654-ab
Lyman, Harry: Ear in stunt flying.....	254-ab
Lymph, flow of, in nerves, some experiments; L. B. Alford and S. I. Schwab .....	260-ab
McCarrison, Robert: Pathogenesis of deficiency disease.....	506-ab
McGregor, G.: Series of hysterical cases in soldiers.....	699-ab
Maitland, H. B.: Unsuspected involvement of central nervous system in syphilis.....	231
Marui, Kiyoyasu: Finer structure of synapse of the Mauthner cell with special consideration of the "Golgi net" of Bethe, nervous terminal feet and the "nervous pericellular net" of Held.....	337-ab
May, James V.: Uniform statistical reports on insanity now assured..	669-ab
Memory disorder, report of six cases of war psychoses showing memory disorder; D. K. Henderson.....	252-ab
Meninges, histopathology of carcinoma of cerebral meninges; G. B. Hassin .....	705
Menninger, Karl A.: Treatment of nonparetic neurosyphilis by intraventricular injection.....	354-ab
Mental disease, arterial tension in; Claes Enebuske.....	665-ab
disease, doctrine of neutrality and its relation to; S. D. W. Ludlum..	136-ab
extension of the key principle of diagnosis to the genera in certain great groups or orders of mental disease; Elmer E. Southard..	132-ab
genera in certain great groups or orders of mental disease; E. E. Southard .....	95
Meyers, I. Leon: The cerebellar gait: a pedographic study.....	645-ab
Militant, the; Edward B. Lane.....	359-ab
Military history of the American Neurological Association; Theodore H. Weisenburg.....	1
Miller, William C.: Treatment of dementia praecox by intravenous injections of sodium chlorid together with studies of chlorin content of blood.....	313
Mills, Charles K.: Cerebello-bulbar polioencephalitis originating during or after epidemics of influenza and of poliomyelitis including record of case of epidemic encephalitis of lethargic type.....	567
Mongolism in one of twins, case of; Harold Swanberg and H. A. Haynes .....	717

# INDEX TO VOLUME 1

	PAGE
Moore, J. W.: Hysterical disorders of micturition.....	648-ab
Motor cortex, stimulation of, in monkey subject to epileptiform seizures; C. S. Sherrington.....	125-ab
system, cortico-neural and strio-neural motor system in peripheral nerves, preliminary report on; J. Ramsay Hunt.....	131-ab
Muscular atrophy, progressive; George W. Hall.....	365-ab
Myelitis, transverse, showing Beevor's sign; George W. Hall.....	364-ab
Myerson, Abraham: Case bearing on James-Lange theory of emotions..	668-ab
Personality tests involving principle of multiple choice.....	459
National Committee for Mental Hygiene, ten years of work of, and some plans for its future development; Clifford W. Beers.....	376-ab
Nerve endings of sensory type in muscular coat of stomach and intes- tine, preliminary note; F. W. Carpenter.....	352-ab
median, injury due to stab-wound from ulnar side of hand; T. E. Shea	265-ab
peripheral, conduction in peripheral nerve and in central nervous sys- tem; E. D. Adrian.....	253-ab
peripheral, injuries; George E. Price, Henry O. Feiss and William B. Terhune .....	547
peripheral, observations on 250 cases of gunshot wounds of; C. Noon	258-ab
peripheral, preliminary report on a cortico-neural and a strio-neural motor system in peripheral nerves; J. Ramsay Hunt.....	131-ab
Nervous system, central, conduction in peripheral nerve and; E. D. Adrian .....	253-ab
hysterical element in organic disease and injury to; A. F. Hurst and J. L. M. Symms.....	646-ab
intravenous, not intraspinal, use of arsphenamin in syphilis of; B. Sachs .....	277
some advances in surgical treatment of injuries to nervous system; Charles A. Elsberg.....	768
sympathetic and central nervous systems, interdependence of; David Orr and R. G. Rows.....	127-ab
syphilis of: See Syphilis	
Nervousness in soldiers, nature of; Foster Kennedy.....	124-ab
Neurological therapeutics, constructive plan for advancement in; Walter Timme .....	659-ab
Neurology, American, opportunity of; Frederick Tilney.....	657-ab
vegetative, and endocrinology; Walter Timme.....	246-ab
Neuropsychiatry in recruiting and cantonment; M. S. Gregory.....	89
Neuroses among returned soldiers, types and indications; Clarence B. Farrar .....	345-ab
and psychoses of war; William Aldren Turner.....	347-ab
in soldiers, with presentation of cases; Peter Bassoe.....	368-ab
war; Hugh T. Patrick.....	367-ab
war; W. B. Terhune.....	126-ab
war, as physiologic conservations; Sidney I. Schwab.....	579
war, bearing of, on immigration; Lawrence Kolb.....	317
war, mental factor in; R. G. Gordon.....	515-ab
war, some views on diagnosis and treatment; Colin K. Russel.....	25
war, treatment of; James Purves Stewart.....	14
Neurosyphilis: See Syphilis	
Neymann, Clarence A.: Treatment of general par�sis.....	250-ab

nerves .....	749
War neuroses as physiologic conservations.....	471
Sclerosis, amyotrophic, lateral; George W. Hall.....	260-ab
multiple, a probable etiologic factor in; Malcolm S. Woodbury.....	579
multiple, histogenesis of; Theophil Klingman.....	365-ab
multiple, subacute form of; William G. Spiller.....	408
Sexual interests, psychopathic, certain pluriglandular anomalous func-	
tions associated with; Mary O'Malley.....	193
Shea, T. E.: Case of median nerve injury due to stab-wound from	
ulnar side of hand.....	219
Sherrington, C. S.: Stimulation of motor cortex in monkey subject to	
epileptiform seizures.....	640-ab
Shock, shell, among troops; Thomas W. Salmon.....	125-ab
shell, so-called: the remedy; Francis X. Dercum.....	353-ab
shell, treatment of cases in an advanced neurological center; William	
Brown .....	65
Singer, H. Douglas: Some lessons in psychiatry taught by war.....	342-ab
Suggestions for scheme of graphic representation of personality and	
psychosis .....	367-ab
	249-ab

# INDEX TO VOLUME 1

	PAGE
Smith, D. E.: Encephalitis simulating brain tumor.....	796-ab
Society Transactions:	
American Neurological Association.....	130
Boston Society of Psychiatry and Neurology.....	354, 357, 664, 667
Chicago Neurological Society.....	362, 367, 799
New York Neurological Society.....	373, 517, 655
Philadelphia Neurological Society.....	262, 650, 792
Sodium chlorid, treatment of dementia praecox by intravenous injections of, together with studies of chlorin content of blood; William C. Miller .....	313
Soldiers, epileptiform convulsions in; R. G. Gordon.....	649-ab
hysterical cases in; G. McGregor.....	649-ab
hysterical vomiting in; W. R. Reynell.....	647-ab
neuroses among returned soldiers, types and indications; Clarence B. Farrar.....	345-ab
neuroses in, with presentation of cases; Peter Bassoe.....	368-ab
Southard, Elmer E.: An extension of the key principle of diagnosis to the genera in certain great groups or orders of mental disease....	132-ab
Focalities of microscopic brain lesions found in dementia praecox.....	172
Non-dementia non-praecox; note on advantages to mental hygiene of extirpating a term.....	667-ab
Pessimists, psychopathic and non-psychopathic.....	664-ab
Prothymia: note on morale-concept in Xenophon's Cyropedia.....	358-ab
The genera in certain great groups or orders of mental disease.....	95
Somnolence, two cases with attacks of somnolence probably of pituitary origin; B. P. Weiss.....	792-ab
Spatial orientation and visual attention, disturbances of, with loss of stereoscopic vision; Gordon Holmes and Gilbert Horrax.....	385
Spiller, William G.: Contracture occurring in partial recovery from paralysis of facial nerve and other nerves.....	564
Special communication.....	797-ab
Subacute form of multiple sclerosis.....	219
Spinal cord, automatic bladder and excessive sweating and some other reflex conditions in gross injuries of spinal cord; Henry Head and George Riddoch.....	343-ab
complete division of spinal cord in lower dorsal region: a case with conservation of spinal reflexes below level of lesion; W. F. Schaller .....	77, 130-ab
cysticercus racemosus (taenia solium) of, operation, surgical recovery and death; P. C. Knapp.....	357-ab
injuries in warfare, symptomatology and diagnosis; Walter F. Schaller	471
laminectomy for intramedullary (?) tumor of spinal cord removed by two-stage operation; Charles A. Elsberg.....	658-ab
lesions encountered in operations for old injuries of; Charles A. Elsberg .....	660-ab
reflex functions of completely divided spinal cord in man; George Riddoch .....	335-ab
tumor of, case of successful removal of; C. C. Beling and Alfred S. Taylor .....	655-ab
Stealing, psychologic study of, in juvenile delinquency; L. Pierce Clark	535
Stewart; James Purves: Treatment of war neuroses.....	14
Stewart, R. M.: Note on oculo-cardiac reflex.....	126-ab
Stomach, nerve endings of sensory type in muscular coat of stomach and intestines, preliminary note; F. W. Carpenter.....	352-ab
Strauss, Israel: Eunuchoidism.....	726
Trauma and its relation to development of glioma of brain.....	138-ab

Strecker, Edward A.: Certain clinical aspects of "late catatonia" with report of cases.....	780-ab
Subarachnoid space, irrigation of; L. B. Alford.....	503-ab
Subconscious in its relation to the conscious, preconscious and unconscious; L. E. Emerson.....	347-ab
Sugita, Naoki: Comparative studies on growth of cerebral cortex.....	789-ab
Swanberg, Harold: Case of Mongolism in one of twins.....	717
Sweating, excessive, and automatic bladder and some other reflex conditions in gross injuries of spinal cord; Henry Head and George Riddoch .....	343-ab
Symbolism, theory of; Ernest Jones.....	785-ab
Symns, J. L. M.: Hysterical element in organic disease and injury of central nervous system.....	646-ab
Synapse, on the finer structures of the synapse of the Mauthner cell with special consideration of the "Golgi net" of Bethe, nervous terminal feet and the "nervous pericellular net" of Held; Kiyoyasu Marui .....	337-ab
Syphilis hereditaria tarda with "tip-toe" gait, case of; N. S. Yawger..	262-ab
nerve, with acute involvement of auditory nerves and complete deafness; James Hendrie Lloyd.....	651-ab
observations on relationship between syphilis of nervous system and psychoses; Lawson G. Lowrey.....	642-ab
of central nervous system and cardiovascular syphilis, associated incidence of; E. D. Friedman.....	289
of nervous system, intravenous not intraspinal use of arsphenamin in; B. Sachs .....	277
treatment of nonparetic neurosyphilis by intraventricular injection; Karl A. Menninger.....	354-ab
unsuspected involvement of central nervous system in syphilis; study of 624 unselected cases; P. Fildes, R. J. G. Parnell and H. B. Maitland .....	231
Syringomyelia; George W. Hall.....	365-ab
Tabes dorsalis, pathogenesis of, with remarks on treatment of tabes based on consideration of pathology; Walter F. Schaller.....	749
showing results of treatment including drainage of cerebrospinal fluid; Sherman F. Gilpin.....	268-ab
Taft, A. E.: Estimation of proportions of gray and white matter in human brain.....	346-ab
Taylor, Alfred S.: Case of successful removal of tumor of spinal cord .....	655-ab
Terhune, William B.: Peripheral nerve injuries.....	547
War neuroses.....	126-ab
Therapeutics, neurological, constructive plan for advancement in; Walter Timme.....	659-ab
Tilney, Frederick: Morphology and evolutionary significance of pineal body .....	778-ab
Opportunity of American neurology.....	657-ab
Timme, Walter: A new pluriglandular compensatory syndrome.....	505-ab
Constructive plan for advancement in neurological therapeutics.....	659-ab
Vegetative neurology and endocrinology.....	246-ab
Trephining, palliative, in cases of tumor of infundibular region; S. P. Kramer .....	138-ab, 260-ab
Tucker, Beverley: Pituitary disturbance in its relation to psychosis of adolescence .....	503-ab
Tumors, brain, in psychopathic subjects; S. L. Immerman.....	653-ab
brain, with exact roentgen-ray localization; J. Hendrie Lloyd.....	797-ab
cerebellar, probable; George W. Hall.....	363-ab
of infundibular region, palliative trephining in cases of; S. P. Kramer .....	138-ab
intramedullary (?), of spinal cord removed by two-stage operation, laminectomy for; Charles A. Elsberg.....	658-ab
